STATEMENT OF DAN T. STINCHCOMB

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

I, Dan T. Stinchcomb, residing at 8409 S. County Road 3, Ft. Collins, Colorado 80528, United States of America, hereby affirm that the error in inventorship occurred without deceptive intention on my part.

In fact, the Oath/Declaration filed in the parent application U.S. Serial No. 09/653,225, on which I am and should remain a named inventor, was inadvertently submitted in the instant application through no fault of my own. Due to the amended subject matter of the claims in the instant application, I should not be a named inventor for U.S. Serial No. 10/712,672.

Thus, the error resulted from an administrative error in the documents submitted with the continuation application of U.S. Serial No. 10/712,672, which Oath/Declaration documents were erroneously transferred from the parent application, U.S. Serial No. 09/653,225. Accordingly, the error in inventorship occurred without deceptive intention.

Respectfully submitted,

Date: January 29, 2004
